Hi Toni,

I apologize for the delayed response, as I was out of the office. Thank you for the clarification below. Per this clarification, we will move DN 04252-2019 from Docket 20190059 to Docket 20190098 and will update the compliance docket payment information for the correct company, Lingo Telecom of the South, LLC (TX476). Let us know if you have any further questions or concerns.

Subject: FW: Data Entry Confusion TX476 Lingo Telecom of the South, LLC and TX563 - Global Connection Inc. of America (of Georgia)

Dorothy,

Company TX563-Global has a voluntary cancellation and paid their 2018 and 2019 \$600 RAF to surrender its certificate voluntarily.

In email exchanges with Raquel, we also talked about the company TX476-Lingo, that just happens to have a compliance docket open as well.

The company's information for TX476 compliance RAF payment and rule penalty division was discussed in our email exchange and we sent it to be posted to CMS.

Based on our picking up the wrong company code/docket, the CMS details were applied to the wrong company docket by our mistake.

Case management updated TX563 with TX476 information and it needs to be switched around.

This is TX563 docket.

total: 25

DocketNum	Title
20190059-TX	Request for cancellation of Certificate of Authority No. 7830, effective May 14, 2019, and request for rel America (of Georgia).

This is TX476 docket.

Total: 29

#	DocketNum	Title
1	20190098-TX	Compliance investigation of local exchange Certificate No. 7552, issued to Lingo Telecom of the South Telecommunications Companies.

Lingo-TX476 company has the compliance docket and actually paid the \$500 rule penalty and \$5,173.75 RAF Due, not TX563.

The payment information below in CMS was applied to TX563 in error when it actually belongs with Lingo-TX476. See Below:

DocumentType	Document	Filed Date	Description
	04252-2019	05/10/2019	AIT/Fiscal - \$5,173.75 payment record from \$300 to general revenue fund for fine; Dep :

Can you fix this and let us know. Our apologies this happened.
