Re: Docket No. 20110320-GU Petition for approval of Cast Iron / Bare Steel Pipe Replacement Rider (Rider CI/BSR), by Peoples Gas System

Dear Mr. Teitzman:

Enclosed for filing on behalf of Peoples Gas System and in accordance with Order No. PSC-12-0476-TRF-GU, please find the quarterly progress report for replacement of cast iron / bare steel and plastic pipe facilities during first quarter 2019.

Peoples has changed the formatting of the report and the data to match the company's GIS records rather than plant records. As such, the data more accurately reflects the replacement activity on a real time basis versus the time delay that was reflected in the plant records. This change aligns our reporting to the PSC with the data provided in the DOT PHMSA Annual Reports.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kandi Floyd".
