- 15.** Has the Company inquired with the signatories to the 2017 Settlement if an understanding of the meaning of paragraph 8 (of the 2017 Settlement) is consistent across all parties? Please explain.

A. Yes.

The company has discussed the Petition with the Office of Public Counsel, which agrees that it does not violate the terms of the 2017 Agreement and does not object to the relief requested in the Petition.

The company has consulted with counsel for FIPUG and Florida Retail Federation (FRF), who advise that FIPUG and FRF do not object to the relief requested in the Petition.

The company has consulted with counsel for the West Central Florida Hospital Utility Association ("HUA"), who advises that the HUA is an ad hoc unincorporated association that participates in base rate increase proceedings and does not have a position on the Petition in this docket.

Tampa Electric sent an email to counsel for the Federal Executive Agencies seeking its position on the Petition and paragraph 8 of the 2017 Agreement and has not received a response.
