Rule 25-4.0051, Florida Administrative Code (F.A.C.), Current Certificate Holder Information, requires each certificated telecommunications company to file updated contact information with the Office of Commission Clerk within 10 days of any changes to its contact information. Similarly, Rule 25-4.520, F.A.C., Reporting Requirements, requires each pay telephone service company to file any updated contact information with the Office of Commission Clerk within 10 days after a change occurs.

adoption of new Rule 25-22.108, F.A.C., Change of Regulated Utility Information, would codify current practice requiring each utility, not just telecommunications and pay telephone service companies, to submit its contact information. The utility must submit the contact information to the Office of the Commission Clerk, using the form entitled Form PSC 1024 (6/19) "Change of Regulated Utility Contact Information," which is provided on the Commission's website, within 30 days of being regulated by the Commission. Likewise, the rule requires that any utility that updates its contact information must submit the updated contact information to the Office of the Commission Clerk within 30 days of the changes.

The Commission's Notice of Development of Rulemaking for Rules 25-4.0051, 25-4.520, and 25-22.108, F.A.C., were published in Volume 44, No. 160, of the Florida Administrative Register on August 16, 2018. There were no requests for workshop, and no workshop was held.

This recommendation addresses whether the Commission should repeal Rules 25-4.0051 and 25-4.520, F.A.C. and adopt Rule 25-22.108, F.A.C. The Commission has jurisdiction pursuant to Sections 120.54, 350.01, 350.127(2), and 427.704 (8), F.S.
