Good afternoon, Mr. Dennis:

It is my understanding that since the email on record for Palatka Gas Authority was unavailable in Docket 20190074-PU a fax was generated by the Florida Public Service Commission's Case Management System (CMS). It appears that the information was pulling from our Master Commission Directory (MCD) for Company Code GS030.

This information needs to be submitted by an official company representative on the Change of Regulated Utility Contact Information form, which is available from the Commission's website at www.floridapsc.com under Clerk's Office. The persons authorized to make changes to the contact information for the company are currently showing as Mr. Jud Neufeld, Pres., Bd. of Dir., and Mr. Donald Kitner, Manager. Once we receive that form, we will update the company information, and will contact you if we have any further questions.

I hope you find this information helpful. Please contact our office if you have any questions.

Sincerely,

Dorothy Menasco
