Tallahassee, FL. 32399

I just received my TECO Gas bill for July and it says "a usage-based surcharge of \$0.76 will be included in the distribution charge on MY bill and will continue for five months".

I can NOT Afford and can NOT Replenish MY "storm reserve"! because I do NOT have one!

Now, my Duke Energy electric bill has gone up another \$0.84 per month, to replenish their ghost reserves.

PLEASE, PLEASE, STOP Granting all Utility and Insurance companies their rate increases for the next 3 years.

I am retired and on a Fixed Social Security Income and I can NOT AFFORD any more rate increases. You did NOT include NO Social Security Income increase for 2016 and 0.6% in 2017 in your evaluation of socio economics do to the republican politicians in the United States Congress for millions of retirees which we received a paltry 2% in 2018! This does not include inflation price increases for food, gas, etc.

Your Lobbyist and made up excuses of socio economic factors of claims loss statistics, as well as public driving records and to pay for the rebuilding of the gas and power grid from the last hurricane here/there does NOTHING for ME only give millions of dollars for the Utility, and Insurance companies, Wallstreet, Chairman of the Boards, CEO'S and Vice Presidents to further EMPTY MY WALLET.

The CEO and President of TECO Gas made a salary of: \$8,200,361 in 2018.

The CEO and President of GEICO Insurance made a salary of: \$14,243,723 in 2018.

The CEO and President of Duke Energy made a salary of: \$16,235,418 in 2018

**These people make more money in 1 hour than I make in a year to make a decision on how much money they can get from me, and YOU approve it.**

**I CAN NOT AFFORD ANYMORE RATE INCREASES OF ANY KIND, PLEASE HELP TO STOP THIS UNETHICAL RAPING OF MY WALLET ANY FURTHER.**

Sincerely,

Joe Chisar
