Docket No: 20190001-EI

Date: September 3, 2019

**FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION OF CAPACITY
PAYMENTS TO NON-COGENERATORS IDENTIFIED IN SCHEDULE E12**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information contained in Schedule E12 of Appendix V to the prepared testimony of FPL witness Renae B. Deaton (the "Confidential Information"). In support of this request, FPL states as follows:

1. On September 3, 2019, FPL submitted the prepared testimony of FPL witness Renae B. Deaton in this docket. Schedule E12 of Appendix V to the testimony contains information regarding FPL's capacity payments to specific non-cogenerator counterparties, which is of a confidential nature. This Request is being filed contemporaneously with the service of this testimony in order to request confidential classification of certain information contained in Schedule E12 of Appendix V to the testimony of Renae B. Deaton, consistent with Rule 25-22.006, Florida Administrative Code.

2. The following exhibits are included with and made a part of this Request:

a. Exhibit A consists of a copy of the confidential document on which all information that FPL asserts is entitled to confidential treatment is highlighted.

b. Exhibit B consists of an edited version of the confidential document on which all information that FPL asserts is entitled to confidential treatment is redacted.

c. Exhibit C is a table that identifies the information highlighted in Exhibit A by page, line or column, together with references to the specific statutory bases for the claim of confidentiality and identifies the declarant who supports the requested classification.

d. Exhibit D is the declaration of Gerard J. Yupp in support of this Request.

3. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes (“Section 366.093(3)”). This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. FPL seeks confidential protection for the highlighted information contained in Schedule E12, which identifies capacity payments to non-cogenerators. The highlighted information consists of contractual data about FPL’s capacity payments to specific counterparties. The disclosure of this contractual information would provide other market participants insight into FPL’s marketing and procurement practices and impair FPL’s ability to contact for capacity on favorable terms, to the detriment of FPL and its customers. Such information is protected by Section 366.093(3)(d), Fla. Stat.

5. The highlighted information also relates to the competitive interests of FPL and suppliers from whom FPL purchases capacity. The disclosure of this information would impair their competitive businesses. Such information is protected by Section 366.093(3)(e), Fla. Stat.

6. Upon a finding by the Commission that the Confidential Information highlighted in Exhibit A, and referenced in Exhibit C, is proprietary confidential business information within Section 366.093(3), such information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and declarations included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

DECLARATION OF GERARD J. YUPP

1. My name is Gerard J. Yupp. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director of Wholesale Operations in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification of Capacity Payments to Non-Cogenerators Identified in Schedule E12. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information comprise information concerning contractual data about FPL's capacity payments to specific counterparties. Disclosure of this contractual information would provide other market participants insight into FPL's marketing and procurement practices and impair FPL's ability to contract for capacity on favorable terms, to the detriment of FPL and its customers. The information contained in Schedule E12 also relates to the competitive interests of FPL and suppliers from whom FPL purchases capacity, the disclosure of which would impair their competitive businesses.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, the materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.
