Thank you for the clarification, Andrew. Per your instruction below, we will copy DN 07279-2018 to Docket 20190164, leaving the original in Docket 20180000; and will move DN 07326-2018 completely from Docket 20180000 to Docket 20190164.

Do you want the documents to actually be “moved” from the 20180000 undocketed matters to Docket 20190164, or “copied” to 20190164 with the original remaining in the 2018 undocketed matters?

Would you please move documents 07279-2018 and 07326-2018 into Docket No. 20190164?

Thank you.
