**Subject:** Docket title change

Hong,

Recently, staff requested to establish docket 20200046-GU using the docket title:

Petition to revise tariffs for Florida Public Utilities Company, Florida Public Utilities Company - Indiantown Division, Florida Public Utilities Company - Fort Meade, Florida Division of Chesapeake Utilities Corporation, and Peninsula Pipeline Company to update the description of gas quality, character of service, and pressure.

After further review of the petition, staff recognizes the docket title is not accurate. Staff would like to modify the title to read:

Petition to revise tariffs for Florida Public Utilities Company, Florida Public Utilities Company - Indiantown Division, Florida Public Utilities Company - Fort Meade, Florida Division of Chesapeake Utilities Corporation, and Peninsula Pipeline Company to update the description of gas quality and character of service.

Let me know if I need to complete or update the Request to Establish Docket form.

Thanks!
