RE: Duke Energy Florida, LLC - Docket No. 20190140- EI - Confidentiality Request -

Document No. 03943-2020, [x-ref DNs 03523-2020, 03606-2020]

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Duke Energy Florida (DEF or Company) requests confidential classification for certain information contained in the transcript for the deposition of Terry Hobbs, that was taken on June 25, 2020, along with late-filed Exhibit 3 to said deposition. The material that is the subject of this confidentiality request appears in Document No. 03943-2020 and is cross-referenced to Document Nos. 03523-2020 and 03606-2020.

The Company is claiming confidentiality for certain information contained within the transcript of Terry Hobbs deposition, along with late-filed Exhibit 3, under Section 366.093(3), F.S. Per the Statute, propriety of confidential business information includes, but is not limited to: Subsections (d) "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms," and (e) "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." The information provided in the aforementioned deposition and exhibit for which confidential treatment is being sought can be described as information revealing "activity over the years" relating to DEF's Nuclear Decommissioning Trust.

Staff has reviewed the information within the transcript of Terry Hobbs deposition and the associated late-filed Exhibit 3, as well as the Company's confidentiality request. In staff's opinion, the information that is the subject of the confidentiality request does meet the criteria for confidentiality contained in Section 366.093(3)(d) and (e), F.S. Therefore, staff recommends that the request for confidentiality of the afore-mentioned information included in Document No. 03943-2020, and cross referenced Document Nos. 03523-2020 and 03606-2020, be approved
