gou began your letter with "While we understand this is a challeng ho time" = you should be ashamed to do this to us at the horrible time. An increase of this magnitude is ludicitist! people are out of world, when hope at is visited some people are struggling terribly. Don't give us the excuse about the Infrust. Costs and so on we are not stupid, the Builders now these costs and are well puid for. You are lining your factors by double of pring. It is not thing your affects by double of pring. It is not thing so struggling the grant of the put in humerous ponds where therewe none afford if they put in numerous ponds where therewe none and we all have to pay for their extravagant as of our water supply. Paying more for sewer is also, the direct whis totally unfair. your water is terrible, I me and we have to pay more to put it out ph our it right which is totally unfair. your water is terrible, I me and we have to all in a fair to have your charging us how when you he have seen one pen nyot and tetund when you depend on each persons use and that is all. We should not be by all equates that are more extravagant. I ask that you recensider all of this an make it fair to everyone Please re consider this and which the fair to everyone Please re consider this
