Re: *Duke Energy Florida, LLC: Petition for a Limited Proceeding  
to Approve Third Solar Base Rate Adjustment*; Docket No. 20200245-EI

Dear Mr. Teitzman:

On January 5, 2021, Duke Energy Florida, LLC (“DEF”) electronically filed its Notice of Intent to Request Confidential Classification concerning the confidential information contained in its response to Staff’s First Data Request (Nos. 1-15) and conjunctively filed its Confidential Exhibit A (DN 00501-2021) via CD in a separate, sealed envelope. Specifically, the information contained within DEF’s Response to Staff’s First Data Request questions 5 and 7 and the responsive documents to questions 9, 10 and 14, contains confidential, proprietary business information. Please return DN 00501-2021 filed on January 5, 2021, and replace with the Confidential Exhibit A enclosed with this cover letter (via CD in a separate, sealed envelope) referenced in DEF’s Request for Confidential Classification, filed on January 26, 2021.

Thank you for your assistance in this matter. Please feel free to call me at (850) 521-1428 should you have any questions concerning this filing.

Respectfully,

*/s/ Matthew R. Bernier*
