Re: Docket 20210034-EI: Petition for Rate Increase by Tampa Electric Company

Dear Mr. Teitzman:

Attached for filing on behalf of Tampa Electric Company ("the company") in the above-referenced docket are ten (10) paper copies of the Revised Direct Testimony and Exhibit of William R. Ashburn, which the company filed electronically on April 16. See Document No. 03509-2021. Also included are ten (10) paper copies of the Revised MFR E Schedule, which the company filed electronically on April 16. See Document No. 03510-2021. Finally, also included are ten (10) USB drives containing the Revised MFR Schedules E-5 and E-8 in Excel format with formulas intact, and an Excel file entitled "Volume II – Section 3 of 4\_ 2022 Test Year\_COS Workpapers" that was inadvertently omitted from the USB drives filed on April 16.

Tampa Electric described the revisions to the Testimony and MFR E Schedules E-5 and E-8 in the company's electronic filings on April 16.

This letter confirms Tampa Electric's compliance with Rule 25-6.043(1)(i) of the Florida Administrative Code. Thank you for your assistance in connection with this matter.

Sincerely,

Malcolm N. Means
