Subject: Why Florida Power And light Requesting Large Increase

Joe Biden has not hit us with a large tax increase yet so I would like to know why Florida Power and Light has requested a large increase in our power bill. I assume after Joe raises taxes FPL will be seeking another tax hike. Please look into corrupt FPL's finances and see why their request for an increase is warranted. I hope the increase they are requesting isn't corporate greed, which I am sure it is. Thank you, Geraldine Kohany, Concerned Tax Payer, Bradenton, Florida

RE: FPSC Inquiry 1370720C

Dear Ms. Kohany:

The Governor's office forwarded a copy of your email regarding Florida Power & Light Company (FPL) to the Florida Public Service Commission (PSC). The PSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the PSC. The PSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to respond directly to you.

We will add your feedback to Docket No. 20210015, regarding FPL's Petition for a rate increase. You may review all the information filed with the Florida Public Service Commission by accessing our website at <http://www.floridapsc.com>. Tap on the section for Clerk's Office, then Dockets and type in Docket No. 20210015 (just the number). Once you reach the Docket, tap on Document Filings Index to view all the information filed by the utilities and other parties in this Docket, as well as any action the FPSC has taken on this matter.

If you have any questions or concerns please contact Ellen Plendl at 1-800-342-3552 or by fax at 1-800-511-0809.

Sincerely,

Shonna McCray
Regulatory Program Administrator
Florida Public Service Commission
