**SECTION 63.71 APPLICATION OF
XO COMMUNICATIONS SERVICES, LLC**

XO Communications Services, LLC (“XO”),¹ submits this Application under Section 214(a) of the Communications Act and Section 63.71 of the Commission’s rules to discontinue Switched Access IP Direct Connect service (the “Affected Service”). XO plans to discontinue the Affected Service on or after August 30, 2021, in 26 states and the District of Columbia (see Section 3 below for the specific states).² While XO offers the Affected Service to both retail and wholesale customers, XO has no current retail customers and just three remaining wholesale

¹ In February 2017, Verizon acquired XO. See *In the Matter of Applications of XO Holdings and Verizon Communications Inc. for Consent to Transfer Control of Licenses and Authorizations*, Memorandum Opinion & Order, DA 16-1281, ¶ 5 (Nov. 16, 2016) (granting applications to transfer control of licenses and authorizations in connection with Verizon’s acquisition of XO Communications, LLC).

² Modifications in service offerings for customers with existing contracts are subject to the terms of their contract.

customers on the Affected Service.³ The Affected Service is not plain old telephone service (“POTS”).

Consistent with Section 63.71(a) and (c) of the Commission’s rules, XO provides the following information:

1. Name and Address of Carrier (47 C.F.R. §§ 63.71 (a)(1), (c)(2)):

XO Communications Services, LLC
One Verizon Way
Basking Ridge, NJ 07920

2. Date of Planned Service Discontinuance (47 C.F.R. §§ 63.71(a)(2), (c)(2)):

Subject to the Commission’s authorization, XO will discontinue the Affected Service on or after August 30, 2021.

3. Points of Geographic Areas of Service Affected (47 C.F.R. §§ 63.71(a)(3), (c)(2)):

Subject to the Commission’s authorization, XO will discontinue the Affected Service in the District of Columbia and the following 26 states: Arizona, California, Colorado, Delaware, Florida, Georgia, Idaho, Illinois, Maryland, Massachusetts, Michigan, Minnesota, Mississippi,

³ The Commission has determined that seeking approval for a discontinuance is not obligatory if it directly affects only wholesale carrier-customers. *See Accelerating Wireline Broadband Deployment by Removing Barriers to Infrastructure Investment*, Report and Order, Declaratory Ruling, and Further Notice of Proposed Rulemaking, 32 FCC Rcd 11128, para. 112 (2017) (concluding that a “carrier need not seek approval from the Commission to discontinue, reduce, or impair a service pursuant to section 214(a) of the Act when a change in service directly affects only carrier-customers”); 47 C.F.R. § 63.71(g) (“[A] carrier is not required to file an application to discontinue . . . a service for which the requesting carrier has had no customers or reasonable requests for service during the 30-day period immediately preceding the discontinuance.”). However, XO is voluntarily filing this application in this unique context as it would be burdensome and wasteful to upgrade the associated legacy infrastructure with STIR/SHAKEN while the service is being discontinued to the few remaining customers. *See* 47 C.F.R. § 64.6301(c) (“Services which are subject to a pending application for permanent discontinuance of service filed as of June 30, 2021 . . . are exempt from the requirements of 47 CFR 64.6301 through June 30, 2022.”).

Missouri, Nevada, New Jersey, New York, North Carolina, Ohio, Oregon, Pennsylvania, Tennessee, Texas, Utah, Virginia, and Washington.

4. Brief Description of Type of Service Affected (47 C.F.R. §§ 63.71(a)(4), (c)(2)):

XO seeks to discontinue:

Switched Access IP Direct Connect Service: Switched Access IP Direct Connect is a service that allows for IP traffic termination to the XO network and its retail business customers. XO provides Switched Access IP Direct Connect between the customer's equipment and XO Local Switching Center switch(es); the customer separately purchases an IP interconnection service to access the Switched Access IP Direct Connect Service. Switched Access IP Direct Connect Service is provided to customers for which XO has installed a gateway or gateways (the "Gateway") that will allow IP traffic to terminate to XO's switched network and includes connectivity from the Gateway to XO's private IP network via a dedicated connection. The service allows voice and call set-up signaling to be carried from the Gateway to XO's switched network for termination by XO's local switches.

The Affected Service represents only about 7% of the traffic that is routed to XO's IP network.

Alternative Services and Products: Customers of the Affected Service may terminate IP traffic directly on XO's network pursuant to a commercial agreement or indirectly through agreements with other providers, such as Verizon Business, that terminate traffic to XO's network.

5. Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R. § 63.71 (c)(3)):

Customers of the Affected Service were sent notices by U.S. mail on or before June 28, 2021. A copy of the notice is attached as Exhibit A.

Separately, on or before June 28, 2021, copies of this Application were sent by U.S. mail to the governor and public utilities commission of each affected state, to federally-recognized tribal nations in each affected state, and to the Department of Defense Chief Information Officer, as required by Section 63.71(a) of the Commission's rules.

6. Regulatory Classification of Carrier (47 C.F.R. § 63.71(c)(4)):

XO is classified for regulatory purposes under the Commission's rules as non-dominant with respect to the service to be discontinued.

CONCLUSION

XO respectfully requests that the Commission approve this Application.

Respectfully submitted,

/s/ Roy E. Litland

**Re: Discontinuance of Switched Access (“SWA”) IP Direct Connect Service of
XO Communications Services, LLC**

Dear Valued Customer,

Notice is hereby provided that XO Communications Services, LLC (“XO”) SWA IP Direct Connect Service (the “Service”), the terms for which are set forth in Section 13.2 of XO’s FCC Tariff No. 1 (Contract Tariff No. 101), shall be discontinued on or after August 30, 2021.

XO provides Switched Access (“SWA”) IP Direct Connect Service between the customer’s equipment and XO Local Switching Center switch(es). This product provides the ability for the customer to route IP traffic originated on their network that is destined for the XO network and XO’s retail business customers. The service is provided to customers for which XO has installed a gateway or gateways (the “Gateway”) that will allow the traffic to terminate to XO’s switched network. The service allows voice and call set-up signaling to be carried from the Gateway to XO’s switched network for termination by XO’s local switches.

The geographic locations for the Service are as follows: the District of Columbia and the following 26 states: Arizona, California, Colorado, Delaware, Florida, Georgia, Idaho, Illinois, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Mississippi, Nevada, New Jersey, New York, North Carolina, Ohio, Oregon, Pennsylvania, Tennessee, Texas, Utah, Virginia, and Washington.

On or after August 30, 2021, subject to regulatory approvals, XO will discontinue the SWA IP Direct Connect Service. We urge you to migrate any SWA IP Direct Connect Service you have in service to alternate services. Please contact your VPS account manager should you have any questions regarding this notice.

Best Regards,

Verizon Partner Solutions

On behalf of XO Communications Services, LLC, the address for which is:
One Verizon Way, Basking Ridge, NJ 07920.

The following notice is required by the Federal Communications Commission (“FCC” or “Commission”).

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC’s Electronic Comment Filing System using the docket number established in the Commission’s public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of XO Communications Services, LLC. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

CERTIFICATE OF SERVICE

I hereby certify that on or before June 28, 2021, I caused to be served a copy of the foregoing Section 63.71 Application by U.S. Mail postage prepaid to the following parties on the attached service list.
