Subject: Notification of Unaccepted E-filing (E-filing ID = 27324)

Good morning,

The document presented has been reviewed by the Office of Commission Clerk (CLK) and has not been accepted as an e-filing. Please note that the Commission is unable to automatically add persons to future new dockets. All documents in any dockets which are open before the Commission are available for viewing and printing from the PSC website: <http://www.floridapsc.com/Home/> and navigating to Clerk's Office and choosing Dockets.

If you would like to be included as an interested person in any open dockets, you will need to provide specific docket numbers. As an interested person you would receive all notices for hearing, prehearing, proposed agency action orders, final orders, and notices of Commission conferences. If you wish to receive notices of hearings, workshops, or rulemaking, we can put you on the list to receive those types of notifications, but note that you will received "ALL" notices for all rules in the specific industry that you specify. i.e. Electric and gas, water and wastewater, and telecommunications.

In order to ensure that your information is handled efficiently and accurately, please forward requests to be added as interested persons in any currently open dockets, to clerk@psc.state.fl.us rather than through the e-filing web page which is for official filings.

I hope you find this information helpful. If you have any further questions, please call CLK at (850) 413-6770 or by email at clerk@psc.state.fl.us.
