Docket No. 20210107-EI
Filed: August 17, 2021

**TAMPA ELECTRIC COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
AND MOTION FOR TEMPORARY PROTECTIVE ORDER**

Tampa Electric Company ("Tampa Electric" or "the company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of the Excel files submitted in response to discovery regarding the exhibits to the company's petition filed on May 27, 2021, in the above referenced docket, all of said confidential information being hereinafter referred to as "Confidential Information."

Description of the Document(s)

The Excel files enclosed on a disc labeled "CONFIDENTIAL" are being provided in response to discovery related to the exhibits of Jeffrey S. Chronister (JSC-1) and Jose A. Aponte (JAA-1) and are titled "Third SoBRA Estimated Annual Revenue Requirements.xlsx" and "Third SoBRA True-up Annual Revenue Requirements.xlsx". The Excel files are being submitted this date in the above docket. In support of this request, the company states:

1. Subsection 366.093(1), Florida Statutes, provides that any records "found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act]." Proprietary confidential business information includes but is not limited to "[i]nformation concerning . . . contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms." Subsection

366.093(3)(d), Florida Statutes. Proprietary confidential business information also includes “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Section 366.093(3)(e), Florida Statutes. The Confidential Information that is the subject of this request and motion falls within these statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information contained in the Document(s).

3. The Confidential Information contained in the Document(s) is intended to be and is treated by Tampa Electric as private and has not been publicly disclosed.

4. For the same reasons set forth herein in support of its request for confidential classification, Tampa Electric also moves the Commission for entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

Requested Duration of Confidential Classification

5. Tampa Electric requests that the Confidential Information be treated by the Commission as confidential proprietary business information for at least the 18-month period prescribed in Rule 25-22.006(9)(a), Florida Administrative Code. If, and to the extent that the company is in need of confidential classification of the Confidential Information beyond the 18-month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "B" to this request and motion.

WHEREFORE, Tampa Electric Company respectfully requests that the Confidential Information that is the subject of this request and motion be accorded confidential classification for the reasons set forth herein and for a minimum period of 18 months, subject to any request for a longer period of confidential classification as may be set forth in Exhibit "B" to this request and motion. The company further moves for the entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

DATED this 17th day of August 2021.

Respectfully submitted,
