**Subject:** Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

My wife and I are on SSA fixed income.....we dont get raises...we cant work overtime for extra money.....unless FPL can GUARANTEE we will not ever lose power for any reason, then we dont think they should just be able to raise our rates every year for the next 5 years....How long after that will it be before they do it again?  
Dont allow the rich to get richer....please.

Thank you,

Steven Williams
