**Subject:** Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

FPL's monopoly and their unnecessary rate increases are a sham to all Floridians. Their guaranteed rate of return on all expenses, regardless of need or justification is unprecedented in the business world. We need competition in the State of Florida to bring about real change in rates and service levels.

Former Director of Finance for a major global company.

Thank you,

Gregory Lanson
