Dear Commissioner

Please do not increase rates. Feel I am amongst millions of senior citizens who just can't stretch our social security checks any more. A lot of seniors cannot afford their prescriptions or food. Social Security is an earned benefit as it's money we've contributed but it doesn't increase to the level of inflation. Please read what I've stated and take it to heart. One day you'll be a senior who must face excruciating decisions already. Thanks for reading my concerns.

Thank you,

Helene Ginsburg
