Subject: Please lower the FPL's proposed settlement.

Dear Commissioner

I know you have reached a settlement. But have you really considered us senior citizens. Everyone else also wants to make a profit including medicine, gas, all grocery items, etc. We don't need new clothes or shoes, but we do have to stretch our income to cover the above items. It is getting harder and harder. Please consider lowering your profit margin or spreading it over a longer time period. We may be dead by then and not have to absorb all the cost.

Thank you,

Marilyn Day
