Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

(We continue to have increases to our utilities in one way or the other. Every day Life continues to change affecting our finances. Today with all the new technology and such a Great Company like FPL/Nextera it is time they pass all their savings to their customers. They should also add more ways to save on energy to each household. We get old and live on Fixed income our expenses should be fixed.

Thank you,

Danny Rivera
