We are on a fixed income, 3 adults in the home over 60. Me, husband & my brother. Less than 34k a year. Before Biden... We had a 600.00 cushion, now, due to the rise of cost in utilities, food, insurance, staples(shampoo, deodorant, feminine products, laundry, etc.,) Fuel costs... Husband is a disabled Veteran with cognitive problems. I had to quit work to take care of him. Soon, we will not be able to afford to live. Retirement is not what it used to be, and I STILL cannot afford health insurance.
