Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

(Please share your thoughts here.)many of Florida residents are retirees who are constantly having to squeeze out more for food, insurance and utilities that keep increasing while our income barely covers our expenses. This is just the latest proposal to increase our electric costs. Why are we above The average when it comes to increases in a population of retired, fixed income people? It boils down to greed!
Diane Price

Thank you,

Diane Price
