Dear Commissioner

FPL has been taking advantage of south FL for years! When there is a power outage not due to storms it can take up to 8 hrs to restore power! They have not earned a raise! They should be committing to solar energy! I am a senior citizen and already facing \$600.00 electric bills! This makes it difficult to pay my bills and I have to rely on my children for assistance!

Thank you,

Deborah Jones
