Re: Docket 20210001-EI, Fuel and purchased power cost recovery clause with
generating performance incentive factor

Dear Mr. Teitzman:

Pursuant to Section 25-6.0424(2) of the Florida Administrative Code, Tampa Electric Company (“Tampa Electric” or “the company”) provides notice that the company now projects an under-recovery in excess of 10 percent is likely to occur absent a modification to the company’s 2022 cost recovery factors filed on September 3, 2021. Given current natural gas price volatility, Tampa Electric will defer a decision regarding whether to file for a mid-course correction to its 2022 fuel cost recovery factors and will provide a further notice by December 1, 2021.

Sincerely,

Malcolm N. Means

cc: All Parties of Record (w/enclosures)
