Subject: Denial of FPL rate hike request

Dear Commissioner

All Florida consumers need your help. The FPL request, even modified puts an increase on consumers that isn't fair. The increase requested takes there return on equity to 10.6%. Much higher than the national average of 9.5%. As a retired consumer on a fixed income I need you to hold them accountable and deny this increase. Please stand up for all of us.

Thank you,

Kevin Mchugh
