**Re: Section 63.71 Application of MCI Communications Services LLC; MCImetro Access
Transmission Services of Virginia, Inc.; and MCImetro Access Transmission Services LLC**

Dear Ms. Dortch:

MCI Communications Services LLC, MCImetro Access Transmission Services of Virginia, Inc., and MCImetro Access Transmission Services LLC submit the enclosed application for authority under Section 214(a) of the Communications Act and Section 63.71 of the Commission's rules to grandfather and discontinue certain U.S. Private Line services for approximately 43 customers who did not receive the customer notification associated with the application that Verizon filed on April 15, 2021 to grandfather and discontinue these same services. The April 15, 2021, application was automatically granted via the Commission's streamlined process on June 28, 2021. See Public Notice, WC Docket No. 21-163 (May 28, 2021).

If you have any questions regarding this matter, please contact me at 202-515-2590.

Sincerely,

Attachment

**SECTION 63.71 APPLICATION OF
MCI COMMUNICATIONS SERVICES LLC;
MCIMETRO ACCESS TRANSMISSION SERVICES OF VIRGINIA, INC.; AND
MCIMETRO ACCESS TRANSMISSION SERVICES LLC**

MCI Communications Services LLC; MCImetro Access Transmission Services of Virginia, Inc.; and MCImetro Access Transmission Services LLC (collectively, “the MCI Entities”) submit this Application for authority under Section 214(a) of the Communications Act and Section 63.71 of the Commission’s rules to grandfather and discontinue certain U.S. Private Line services for approximately 43 customers who inadvertently may not have received the customer notification associated with the MCI Entities’ April 15, 2021, Section 63.71 application to grandfather and discontinue these same services (the “April 2021 application”).¹

¹ See Section 63.71 Application of MCI Communications Services LLC; MCImetro Access Transmission Services of Virginia, Inc.; MCImetro Access Transmission Services Corp.; and Verizon Long Distance LLC, WC Docket No. 21-163 (April 15, 2021). The April 2021 application was deemed automatically granted on June 28, 2021. See Public Notice, WC Docket No. 21-163 (May 28, 2021).

In connection with the April 2021 application, the MCI Entities provided notices to customers of the specified U.S. Private Line services by mail on or before April 15, 2021. The April 2021 application was deemed automatically granted on June 28, 2021.² The MCI Entities learned that approximately 43 customers (the “Missed Customers”) of these services may not have received the customer notices.

Therefore, on or before October 29, 2021, the MCI Entities notified/re-notified the Missed Customers of the proposed grandfathering and discontinuance. Copies of the notices are attached to this Application as Exhibit A. The notices explain that subject to the terms and conditions of applicable contracts or of the product guide, the MCI Entities will cease accepting moves, adds, or changes from the Missed Customers for the specified U.S. Private Line services on or after December 31, 2021, as specified below, and will discontinue these services on or after March 31, 2022.

The MCI Entities are not incumbent LECs; they offer these services as interexchange carriers (IXC) or competitive LECs. As noted in the April 2021 application, none of the approximately 43 customers at issue here are residential or consumer customers, and the services are not plain old telephone service (“POTS”).

² See Public Notice, WC Docket No. 21-163 (May 28, 2021).

Consistent with Section 63.71(a) and (c) of the Commission's rules, the MCI Entities provide the following information:

1. Name and Address of Carrier (47 C.F.R. §§ 63.71 (a)(1), (c)(2)):

MCI Communications Services LLC
One Verizon Way
Basking Ridge, NJ 07920

MCImetro Access Transmission Services of
Virginia, Inc.
One Verizon Way
Basking Ridge, NJ 07920

MCImetro Access Transmission Services LLC
One Verizon Way
Basking Ridge, NJ 07920

2. Date of Planned Service Discontinuance (47 C.F.R. §§ 63.71(a)(2), (c)(2)):

Pursuant to its earlier approved discontinuance application, the MCI Entities ceased offering the specified U.S. Private Line services to new customers in the contiguous United States and the District of Columbia as of June 30, 2021 (the services are "grandfathered" as defined in 47 C.F.R. § 63.60(d)).

Subject to the Commission's authorization, on or after December 31, 2021, the MCI Entities will not permit the Missed Customers to make moves, additions, or changes ("MACs") in most cases. MACs will be allowed if any of the following conditions (the "MACs-allowed conditions") applies:

- A circuit originates or terminates in any of the following areas: Connecticut, Delaware, the District of Columbia, Maryland, Massachusetts, New Jersey, New York, Pennsylvania, Rhode Island, and Virginia (collectively, the "Exception Areas").
- Any services that are provisioned with a telecommunications service priority ("TSP") designation as of December 31, 2021.

Subject to the Commission's authorization, on or after March 31, 2022, the MCI Entities will discontinue the specified U.S. Private Line services as to the Missed Customers in the geographic areas identified in Section 3 below.³

3. Points of Geographic Areas of Service Affected (47 C.F.R. §§ 63.71(a)(3), (c)(2)):⁴

Except with respect to the Missed Customers, the MCI Entities have already obtained Commission authorization to grandfather and discontinue the specified U.S. Private Line services in the contiguous United States and the District of Columbia in accordance with the April 2021 application.

The Missed Customers currently have the specified U.S. Private Line services in the following jurisdictions: Arizona, California, Colorado, Florida, Illinois, Michigan, Missouri, Tennessee, Texas, and Washington. Subject to the Commission's authorization and as stipulated by this application, on or after the date specified in Section 2, the MCI Entities will not permit the Missed Customers to make MACs unless a MACs-allowed condition applies.

Subject to the Commission's authorization and as stipulated by this application, on or after the date specified in Section 2, the MCI Entities will discontinue the specified U.S. Private Line services as to the Missed Customers except for circuits that originate or terminate in any of the Exception Areas.

³ Modifications in service offerings for customers with existing contracts are subject to the terms of their contract or of the product guide.

⁴ The April 2021 application also covered certain Metro Private Line Access Services offered by the MCI Entities and certain National Private Line services offered by Verizon Long Distance. None of the Missed Customers receive those services. Therefore those services are not included in this application, and the automatically granted authority to discontinue those services that the MCI Entities received in June 2021 is unaffected by this application.

4. Brief Description of Type of Service Affected (47 C.F.R. §§ 63.71(a)(4), (c)(2)):

This Application relates to certain U.S. Private Line services offered by the MCI Entities. These are not “plain old telephone service” or POTS services. The MCI Entities’ U.S. Private Line services provide private line transmission service in the contiguous United States and the District of Columbia, originating in a Company-designated point-of-presence (POP) in one Local Access Transport Area (LATA) and terminating in a Company-designated POP in another LATA via interexchange carrier (IXC) transport. U.S. Private Line services offer a suite of analog, digital, and SONET services available on point-to-point, point-to-multipoint, and multipoint configurations. The following specific U.S. Private Line services are covered by this Application:

- Analog point-to-point, point-to-multipoint and multipoint configurations
- Digital DS0 point-to-point, point-to-multipoint and multipoint configurations
- Point-to-point Fractional DS1 (DS1)
- Point-to-point Digital DS1 (Digital Signal Level 1)
- Optional feature: Web Digital Reconfiguration Services (Web DRS); and
- Optional feature: Echo Control

Alternative Services and Products: Customers today can obtain alternative services and products from Verizon or other providers that may suit customers’ needs depending on the customers’ particular applications. Possible alternative products and services include: Private IP, Ethernet Dedicated E-Line, Ethernet Switched E-Line, and Internet Dedicated Ethernet services. Verizon will work with affected customers to find suitable alternative solutions.

5. Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R. § 63.71 (c)(3)):

The Missed Customers were sent notices by U.S. mail on or before October 29, 2021.

Representative copies of the notices are attached as Exhibit A.

Separately, on or before October 29, 2021, copies of this Application were sent by U.S. mail to the governor and public utilities commission of each affected state, to federally-recognized tribal nations in each affected state, and to the Department of Defense Chief Information Officer, as required by Section 63.71(a) of the Commission's rules.

6. Regulatory Classification of Carrier (47 C.F.R. § 63.71(c)(4)):

The MCI Entities are classified for regulatory purposes under the Commission's rules as non-dominant with respect to the services to be discontinued.

CONCLUSION

The MCI Entities respectfully request that the Commission approve this Application.

Respectfully submitted,

/s/ Roy E. Litland

Re: Discontinuance of services offered by MCI Communications Services LLC, MCImetro Access Transmission Services of Virginia, Inc., and MCImetro Access Transmission Services LLC

Dear Valued Customer,

Thank you for trusting Verizon with your communication needs. This is a formal notification about important upcoming changes to some of the services offered by Verizon subsidiaries MCI Communications Services LLC, MCImetro Access Transmission Services of Virginia, Inc., and MCImetro Access Transmission Services LLC (collectively "Verizon").

We are sending this notice to advise you of these changes and ask that you review Attachments A and B to see if your service is impacted. Verizon appreciates your business and would be pleased to work with you to transfer any of these services to alternative Verizon solutions, as available.

Information about the changes is provided below:

No new customers: On June 30, 2021, Verizon stopped accepting new customers for the services listed in Attachments A and B in all areas where we offer service.

No moves, additions and changes: After December 31, 2021, you will no longer be permitted to make moves, additions and changes (MACs) for the services listed in Attachments A and B¹, **except for circuits that originate or terminate in any of the following areas: Rhode Island, Massachusetts, New York, Connecticut, New Jersey, Delaware, Pennsylvania, Virginia, Maryland and Washington, DC.**

Discontinuance: On or after March 31, 2022, Verizon will discontinue the services listed in Attachments A and B except for **any circuits that originate or terminate in any of the following areas: Rhode Island, Massachusetts, New York, Connecticut, New Jersey, Delaware, Pennsylvania, Virginia, Maryland and Washington, DC.** Verizon will waive any early termination charges associated with discontinued services.

These changes are subject to applicable regulatory approvals and contractual obligations.

¹ See notes in Attachments A and B for certain additional exceptions.

Action Required

We urge you to contact us to migrate applications that use the services listed in Attachments A and B to alternate Verizon services, as available². We would appreciate the opportunity to continue to work with you. Verizon's portfolio of services provides many options to help your team stay connected and we stand ready to review all of the possible connectivity options, both traditional wired and wireless, to help support your success.

Next Steps

Verizon would like to remain your preferred telecommunications service provider. To assist with the transition of your Verizon services, we are currently running a range of promotions on a number of Verizon solutions to continue to support your needs (certain promotions may not be available to Federal, State and Local Government customers or Educational Institutions).

Customers are invited to call us to request a quotation for replacement services.

Commercial customers:

- If your business has fewer than 500 employees, please call us on **888.999.5954**
- For enterprise customers (over 500 employees), please contact your assigned account executive or authorized Verizon partner to work with you to develop a solution to meet your needs. If you do not have an assigned account executive or authorized Verizon partner, you can contact us at **877.297.7816**

Public sector customers:

- For Federal, State and Local Government Agencies and Educational Institutions, please contact your assigned account executive to work with you to develop a solution to meet your needs. If you are uncertain who to contact, you can email **public.sector.modernization@verizon.com**

The address listed above is your Address of Record for the account number listed above. Any additional notices, including notices about changes to your account, will be sent to this address unless you indicate otherwise. If you need to provide us with a different Address of Record, please update your details on the Verizon portal or contact your sales representative, Client Service Manager (CSM) or Contracts Manager.

Our commitment to you is to continue to deliver world-class services backed by a team of experts who are constantly working to provide proven solutions. We value your business and look forward to helping you realize the benefits that our next-generation solutions can unlock for you. Please forward this letter to other members of your organization as necessary.

Best Regards,

Verizon Support Team

On behalf of MCI Communications Services LLC, MCImetro Access Transmission Services of Virginia, Inc. and MCImetro Access Transmission Services LLC. The address for all these companies is: One Verizon Way, Basking Ridge, NJ 07920.

² You can also choose to switch your services to other providers. Should you decide to switch, Verizon will waive any early termination charges associated with these services.

The following notice is required by the Federal Communications Commission (“FCC” or “Commission”) and applies to the services listed in Attachment B, which are federally regulated.

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC’s Electronic Comment Filing System using the docket number established in the Commission’s public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of MCI Communications Services LLC, MCImetro Access Transmission Services of Virginia, Inc., and MCImetro Access Transmission Services LLC. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

Attachment A

Intrastate services offered by MCI Communications Services LLC

Verizon stopped accepting new customers in all 50 states and the District of Columbia on June 30, 2021, for all of the services below.

In addition, you will no longer be permitted to make moves, additions and changes (MACs) on or after December 31, 2021³, except for circuits that originate or terminate in any of the following areas: Rhode Island, Massachusetts, New York, Connecticut, New Jersey, Delaware, Pennsylvania, Virginia, Maryland and Washington, DC.

These services are also being discontinued on or after March 31, 2022, except for circuits that originate or terminate in any of the following areas: Rhode Island, Massachusetts, New York, Connecticut, New Jersey, Delaware, Pennsylvania, Virginia, Maryland and Washington, DC.

These changes are subject to applicable regulatory approvals and contractual obligations.

Please review these services carefully and contact us if you have any questions or require additional information.
