CUSTOMER COMMENTS	
<p>Dear Commissioners, PLEASE DENY EU and JACK BOYER'S application for a wastewater certificate for our Bridgeless Barrier Island! We residents know how he runs the water company and it's a mess! No boil water notices! Need? No! He hasn't tested any water around our Bridgeless Barrier Island - used other areas far away as his talking points. Wells on island test fine or were shut down.</p> <p>FINANCES? He has HUGE LOANS already! High interest rates!</p> <p>Doesn't pay taxes on waterplants & certificates bought 4 times! He won't be able to pay the debt on construction.</p> <p>TECHNICAL ABILITY? A JOKE! He has never done a project of wastewater of this magnitude. Keeps telling homeowners it would be better if they bought him out!</p> <p>Look At the hundreds of letters against him getting the certificate. OPC against him getting certificate! Too MANY QUESTIONS! PLEASE DENY!</p>	<p>High Rates!</p>
