Subject: RE: Change of address for parties re: Docket# 20190168

Good morning, Ms. Thompson,

Per your request below, the contact information for Docket 20190168 has been updated. Please note that after dockets are closed, the contact information is not updated because it reflects the docket information as it stood when the docket was closed. If the docket is ever reopened, contact information, if provided would be updated at that time. For older closed dockets, staff would need to update their records for any relevant/current contact information. As this docket was only closed last month, I have gone ahead and updated that information.

I hope you find that information helpful. Give our office a call if you have any questions or concerns.
