Mr. Eric Silagy, C.E.O. www.fpl.org

Good Day !

FPSC Docket No. 20210015 FPL Account No. 26582 57510

Ref ; Senior Citizen Veteran Request.

The Florida Public Service Commissioners were no doubt misled by the FPL proposal to monetarily penalize Senior Citizen Veterans

such as myself for my Lower Monthly KWH usage. The FPSC was also misled by the Office of Public Counsel who incorrectly

informed the FPSC that the minimum billing charge would be accepted by a Majority of Senior Citizens who are retired, and living

on a fixed income, as I am. <<<<<

I am a Senior Citizen Veteran who is currently suffering from PTSD, and also Tinnitus.

I am respectfully requesting that your office remove the minimum billing charge from my monthly electrical bill primarily

due to my financial situation, and also due to the numerous medical bills that I have incurred to date.

I have also requested that Florida Governor Ron Desantis initiate a Thorough Investigation in order to honestly ascertain

as to why the FPSC approved of a proposal that monetarily penalizes individuals such as myself for no good cause,

when in essence individuals such as myself should be commended, and also rewarded for our sacrifice. <<<<<<

Thank You For Your Consideration Chairman Silagy.

Sincerely.

Michael J. Walsh

US Navy Veteran 1957-1963 ADR2 Member I.D. 1194721044
