Clayton,

The corrective letter filed by Sunlake/Deterding today (DN 05914-2023), shows the company name with “LLC” rather than “L.L.C.” Thus, it does not match name shown in MCD and Dept of State. However, per your email below, we will updated the docket title to reflect “L.L.C.” Additionally, since the docket is for water and wastewater rather than just water, the docket suffix is also being changed from WU to WS.

Let us know if you have any questions or concerns.

Dorothy

**Dorothy,**

This email is in reference to the docket title for DN 20230120.

The Docket title is “**Application for staff-assisted rate case in Lake County by Sun Communities d/b/a Sunlake Estates.**”

*Per [CLK note: Utility name in application does not match name as shown in MCD.]*

MCD has the company name as Sunlake Estates Utilities, L.L.C. The Utility’s name in MCD matches what is listed with [the Department of State](#).

Therefore, staff requests that the Utility name within the docket title be updated to the following: **“Application for staff-assisted rate case in Lake County by Sunlake Estates Utilities, L.L.C.”**
