**TAMPA ELECTRIC COMPANY'S  
STATUS REPORT ON TEMPORARY SERVICE**

Tampa Electric Company reports as follows regarding the status of the provision of temporary retail electric service by Tampa Electric and Peace River Electric Cooperative, Inc. ("PRECO") to mining facilities located in each other's service areas:

1. Under the variance agreement approved in Florida Public Service Commission Order No. PSC-12-0661-PAA-EU in Docket No. 120247-EU, PRECO was permitted to provide electric service to Mosaic in its F1 mining area while Tampa Electric was permitted to provide electric service to Mosaic in its 20E mining area, which mining areas cross between the PRECO and Tampa Electric service territories.
2. Mining in the 20E area was completed in December 2015. However, mining in the F1 area is ongoing.
3. Because the F1 area mining continues, both Tampa Electric and PRECO desire to continue the variance at least until the F1 area mining has concluded. The parties will notify the Commission at the termination of the variance agreement.

DATED this 28th day of March 2024.

Respectfully submitted,

---
