Subject: RE: FPSC E - service of Document NO. 00011-2025 in Docket 20250000

Hi Steven,

I'm sorry about all the back-and-forth emails. It appears that not all information was included on the attachment to the update letter. Typically, there is one form per person/entity. However, I can see where it's a bit confusing since Seminole Electric has three people/entities. There is no need to refill out the form. The three screenshots below show the contact information we have for each of Seminole Electric's contacts for the notices requested. If you can look them over and let me know if anything needs to be updated/changed/revise, that will be sufficient. I appreciate your patience and your help!

Ms. Menasco

The phone number listed is my business phone number (Steven Rybicki—813-422-9150).

The fax number is the corporate fax number. I am not aware of any other fax numbers being used at Seminole.

Let me know if you need me to resubmit the form.

Mr. Rybicki,

The changes have been made as you have requested below and in the attached. Since you have three contacts, please specify which one to the telephone and fax numbers are associated with. Should that that the phone and fax number for just one of the contacts, or all three? Thank you for your help.

Good afternoon, Mr. Rybicki,

Thank you for the attached response. The form needs additional information though. There are no names associated with the email addresses on the form. There are also no telephone or fax numbers indicated. Additionally, there is no “completed by” or “date” on the form. If you can update that information so that we can compare the complete information we have in our database, that would be helpful. The form will then need to be resubmitted via email to clerk@psc.state.fl.us, and we will get that information updated as quickly as possible.

Thank you for your help.
