**COMPLAINT INFORMATION**

Complaint: Improper Billing against Tampa Electric Company  
Details:

They keep raising the cost and they increase gets way too much very expensive! Most people can't even pay them. And we struggle as well. Now they need deposits which are way more than a car payment these days. The deposits are over \$1000 that's BS!

We the people need to be heard, we need to be taking care of. If you don't have the people, you don't have the electric to be paid. STOP WITH PRICE INCREASES!!!!!!!! we all cannot afford this!!!!
