Good morning commissioners

I'm writing to respectfully request that you vote to deny the sewer application fo Palm, Don Pedro & Knight Islands. We do not want nor need a sewer system on these islands and we are completely against the application for sewers. Imagine someone coming to your neighborhood and your home and telling you that you have to have something you don't want, don't need, that isn't better and you have to pay a high price for it. Again, *please deny the sewer application.*

Kind regards
Trish Fichter-McCarty
