Docket # 20240032

Attn: Public Service Commission

We are homeowners at Hideaway Bay on Little Gasparilla Island. It has come to our attention that Jack Boyer did not give proper notice of the significant change to bring the waste water transmission line to Hideaway Bay Beach Club property. We were originally excluded from this project. How can this be legal to not send out notification? This was an underhanded maneuver to sneak this in. This change directly negatively impacts all 102 owners at Hideaway Bay. We are asking you to deny the application on April 1 so that we can adequately fight this change.

Thank You

Joseph and Christine Junior
