The Residents of Harbor Shores are retired people living on fixed incomes or working class people working hard to pay rent, mortgages, buy food, and pay their utilities to survive. The current KWRU fees are the largest portion of our HOA fees. Raising our sewer costs this much will most certainly affect the workers of Key West. Harbor Shores is not a resort filled with wealthy vacationers. I hope you will consider no rate increase or a much reduced rate increase for the people of Harbor Shores. Thank you for your time and consideration.
