ATTORNEY

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Environmental Cost)
Recovery Clause.)
_____)

DOCKET NO. 20250007-EI

FILED: March 31, 2025

PETITION OF TAMPA ELECTRIC COMPANY

Tampa Electric Company ("Tampa Electric" or "the company"), hereby petitions the Commission for approval of the company's environmental cost recovery true-up amount of \$2,597,551 over-recovery for the twelve-month period ending December 2024. In support of thereof, says:

Environmental Cost Recovery

1. Tampa Electric's final true-up amount for the period January 2024 through December 2024 is an over-recovery of \$2,597,551. [See Exhibit No. ____ (ZDJ-1), Document No. 1 (Schedule 42-1A).]

2. By Order No. PSC-2024-0482-FOF-EI, the Commission approved environmental cost recovery factors for the period commencing January 2025. These factors reflected an actual/estimated true-up over-recovery, including interest, for the period January 2024 through December 2024 of \$3,297,632 which was also approved in Order No. PSC-2024-0482-FOF-EI. The actual over-recovery, including interest, for the period January 2024 through December 2024 is \$5,895,183. The \$5,895,183 actual over-recovery, less the estimated over-recovery of \$3,297,632 which is currently reflected in charges for the twelve-month period beginning January 2025, results in a net environmental cost recovery true-up over-recovery of \$2,597,551 that is to be included in the calculation of the environmental cost recovery factors for the period beginning January 2026.

3. For reasons more fully detailed in the Prepared Direct Testimony of witness Zel D. Jones, the environmental compliance costs sought to be approved for cost recovery proposed in this

petition are consistent with the provisions of Section 366.8255, Florida Statutes, and with prior rulings by the Commission with respect to environmental compliance cost recovery for Tampa Electric and other investor-owned utilities.

WHEREFORE, Tampa Electric Company requests the Commission to approve the company's environmental cost recovery true-up over-recovery amount of \$2,597,551 and authorize the inclusion of this amount in the calculation of the environmental cost recovery factors for the period beginning January 2026.

DATED this 31st day of March 2025.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Malcolm N. Means".
