Dear commissioner we are Michael and Kathryn Vernon. I am a resident of LGI at 9400 Little Gasparilla Island Unit J9 which is part of the Hideaway Bay Beach Club condos. (HBBC).I am writing this letter to ask you to **deny** the application by Environmental Utilities for a certificate to install sewers on our island.

We were not aware of this and are not aware of the financial burden this will put on us. We were not aware to fight against this before it was put through.

Please deny this application.

Thank you for your time

Michael and Kathryn Vernon
