Re: Fuel and Purchased Power Cost Recovery Clause with Generating
Performance Incentive Factor; FPSC Docket No. 20250001-EI

Dear Mr. Teitzman:

The Case Assignment and Scheduling Record in the above matter calls for the filing of utility testimony and hedging activity reports for the period August 2024 through December 2024 on this date. Pursuant to paragraph 13(a) of the settlement agreement approved in Order PSC-2021-0423-S-EI, the company was operating under a hedging moratorium in 2024. Tampa Electric accordingly has no hedging activities to report for 2024 and the company is not filing testimony or a hedging activity supplemental report.

Thank you for your assistance in connection with this matter.

Sincerely,

A handwritten signature in blue ink that reads 'Malcolm N. Means'.
