COMPLAINT INFORMATION

Complaint: Delay in Service against Florida Public Utilities Company

Details:

FPU has filed a rate increase and sent a mailing out the week of March 24th. The mailer contains a website to review the filings. The site, psc.state.fl.us/clerks-office-dockets-level2?DocketNo=20240099 is not valid. Their mailer, which is advising how to view the filings is WRONG.

I am requesting the PSC invalidate the FPU document and require them to remail and refile their rate increase with the correct, accurate website. FPU is consistently providing poor customer service and poor payment postings as per my many previous PSC complaints.
