Teco gas is proposing a 39% increase! Thats highway robbery! Do you think any utility should raise rates 39% in a year? They need to be looked into since they want a huge increase off the backs of hard working Americans and seniors who are on a fixed income are screwed! SS only pays so much and you will hurt many many seniors!

Criminals in suits!

WTF. I am appalled at the rate hike! WTF do you do to deserve a 39% increase in the cost of natural gas. Half the charge goes to delivery and we barely use a lot of natural gas but you will stick it to us anyway!

Typical over charges! I am against the increase! Stick it!
