Docket No. 20250011-EI

I am contacting you today to express my support for FPL as a reliable energy provider for the Florida residents. I have been an FPL customer for many years and their service has always been reliable and is considered one of the lowest rates in the country. For that reason, a rate increase might be considered in their behalf based on today's economy. I hope that proper consideration be giving to their request.

Respectfully,

Anibal F. Fernandez
