Good afternoon.

I have received the unfortunate news that the water bill at Grenelefe will be increased to \$300, which I consider to be an abrupt and excessive hike. I am the owner of two rental properties, and this change will directly impact my tenants, likely leading them to terminate their lease agreements. I strongly disagree with this proposal and firmly oppose it.

I sincerely hope you will reconsider this decision and take into account the significant negative consequences it may cause. Thank you in advance for your understanding and attention to this matter.

Jose Monsalve.
