

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of second amendment to transportation service agreement between Peninsula Pipeline Company, Inc. and Florida Public Utilities Company, for the New Smyrna Beach project.

DOCKET NO. 20250132-GU
ORDER NO. PSC-2025-0426-CFO-GU
ISSUED: November 19, 2025

ORDER GRANTING PENINSULA PIPELINE COMPANY, INC. AND
FLORIDA PUBLIC UTILITIES COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 14840-2025)

On October 29, 2025, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Peninsula Pipeline Company, Inc. (Peninsula) and Florida Public Utilities Company (FPUC) jointly filed a Request for Confidential Classification (Request) of certain highlighted information in the Second Revised Exhibit A to the Second Amendment to Transportation Service Agreement between Peninsula and FPUC (Document No. 14840-2025). This request was filed in Docket No. 20250132-GU.

Request for Confidential Classification

Peninsula contends that the information contained in Document No. 14840-2025, constitutes proprietary and confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. Peninsula and FPUC assert that this information is intended to be and is treated by Peninsula and FPUC as private and has not been publicly disclosed. More specifically, the information for which confidentiality is sought identifies the total Maximum Daily Transportation Quantity, Monthly Reservation Charge, and Unauthorized Use Rate.

Ruling

Section 366.093(1), F.S., provides that records that the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above and in Peninsula and FPUC's Request appears to contain information concerning bids or other contractual data, the disclosure of which would impair the efforts of Peninsula and FPUC or their affiliates to contract for goods or services on favorable terms. Thus, the information identified in Document No. 14840-2025 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Peninsula and FPUC or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Gabriella Passidomo Smith, as Prehearing Officer, that Peninsula Pipeline Company, Inc. and Florida Public Utilities Company's Request for Confidential Classification of Document No. 14840-2025 is granted. It is further

ORDERED that the information in Document No. 14840-2025, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Peninsula Pipeline Company, Inc. and Florida Public Utilities Company or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gabriella Passidomo Smith, as Prehearing Officer,
this 19th day of November, 2025.
