PSC Commissioners,

The fact that money hungry TECO wants another rate increase from their already financially struggling customers is completely and utterly egregious.

Florida citizens are living on the edge, paycheck to paycheck and yet you are thinking of giving this company whose CEO makes MILLIONS EVERY YEAR....MORE MONEY???? The greed is mind blowing!

I object to this rate increase and urge you to vote NO!

The public is very aware this is part of a global initiative to subvert home ownership but it must stop!

NO MORE MONEY TO TECO!

Docket number - 20240026 - Petition for rate increase for TECO.
