**TAMPA ELECTRIC COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Tampa Electric Company, ("Tampa Electric" or the "company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of the yellow highlighted information contained in the following described document(s) ("the Document(s)") stamped "CONFIDENTIAL" and all information that is or may be printed on yellow paper stock stamped "CONFIDENTIAL" within the Document(s), all of said confidential information being hereinafter referred to as "Confidential Information."

Description of the Document(s)

On November 10, 2025, Tampa Electric filed a Notice of Intent ("NOI") to Request Confidential Classification for portions of confidential exhibits admitted at the administrative hearing held August 26 to August 30, 2024, in this docket ("Confidential Hearing Exhibits").¹ On November 18, 2025, Tampa Electric filed an Amended NOI to

¹ See DN 14990-2025, filed on November 10, 2025, in Docket No. 20240026-EI (*Petition for Rate Increase by Tampa Electric Company*).

Request Confidential Classification (the “Amended NOI”) removing Exhibit Nos. 766 (FLL-306), 769 T(FLL-309), and 769 (FLL-309) and adding Exhibit No. 776 (FLL-316) from its initial NOI.²

Pursuant to the Amended NOI and Rule 25-22.006(3)(a)1, Florida Administrative Code, the company files this Request for Confidential Classification (“Request”) for each of the documents listed in the Amended NOI. The intent of this Request is to ensure continued protection of the confidential information contained within the Confidential Hearing Exhibits throughout the appellate process and to promote administrative efficiency. Portions of the Confidential Hearing Exhibits, as specified on Exhibit “A,” constitute Confidential Information and the company has designated it as such by highlighting. On or about November 14, 2025, the Office of Public Counsel submitted the Confidential Information to the Commission Clerk.³ Tampa Electric requests confidential classification for this information such that it will be entitled to protection against public disclosure pursuant to Section 366.093, Florida Statutes. In support of this request, the company states:

1. Subsection 366.093(1), Florida Statutes, provides that any records “found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act].” Proprietary confidential business information includes but is not limited to: (a) trade secrets; (b) internal auditing controls and reports of internal

auditors; (c) security measures, systems, or procedures; (d) information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms; (e) information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information; and (f) employee personnel information unrelated to compensation, duties, qualifications, or responsibilities. § 366.093(3)(a)-(f), Fla. Stat (2025). The Confidential Information that is the subject of this Request falls within one or more of these statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information contained in the Confidential Hearing Exhibits.

3. Exhibit "B" contains the public version of the Confidential Hearing Exhibits with the Confidential Information redacted.

4. The Confidential Information contained in the Confidential Hearing Exhibits is intended to be and is treated by Tampa Electric as private and has not been publicly disclosed.

5. The Office of Public Counsel previously provided the confidential, highlighted versions of the documents to the Clerk's Office on November 14, 2025. See DN 15091-2025.

Requested Duration of Confidential Classification

6. Pursuant to Rule 25-22.006(9)(a), Florida Administrative Code, Tampa Electric requests that the Confidential Information be treated by the Commission as

confidential proprietary business information for 18 months. If, and to the extent that the company is in need of confidential classification of the Confidential Information beyond the 18-month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this Request.

WHEREFORE, Tampa Electric respectfully requests that the Confidential Information that is the subject of this Request be accorded confidential classification for the reasons set forth herein and for 18 months.

DATED this 25th day of November, 2025.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Malcolm N. Means".

Justification(s)

- (1) The highlighted information relates to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), Florida Statutes.
- (2) The highlighted information consists of the proprietary work product of certain third parties or consultants. Public disclosure of this information would allow duplication of these entity's work without compensation for their efforts. This information is in the nature of a trade secret owned by such entities and disclosure of this information would impair their competitive business interests by revealing competitive pricing related information. This information is protected by Section 366.093(3)(a) and (e) of the Florida Statutes
- (3) The highlighted information consists of labor rates, calculations, or bank information. This constitutes "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility to contract for goods or services on favorable terms." This information is protected by Section 366.093(3)(d), Florida Statutes.
- (4) The highlighted information consists of the company's forecasted marginal cost to produce electricity. Disclosure of this information would impair Tampa Electric's business interests by making this information available to competitors. This information is protected by Section 366.093(3)(e), Florida Statutes.
- (5) The highlighted information relates to personal account information of customers, the disclosure of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), Florida Statutes.
- (6) The highlighted information on the pages in question constitutes Critical Energy Infrastructure Information or CEII, defined by the Federal Energy Regulatory Commission as "specific engineering, vulnerability, or detailed design information about proposed or existing critical infrastructure that: (1) relates details about the production, generation, transportation, transmission, or distribution of energy; (2) could be useful to a person in planning an attack on critical infrastructure; (3) is exempt from mandatory disclosure under the Freedom of information Act; and (4) does not simply give the general location of the critical infrastructure." CEII includes, among other things, connectivity or switching maps or diagrams, which is the type of information contained in the above-referenced pages. In addition, Section 366.093(3)(c), Florida Statutes, identifies security measures, systems or procedures as the type of information entitled to confidential protection. Public disclosure of the information in question could compromise the security interests of Tampa Electric and adversely affect the company and its customers. As such, the information is entitled to confidential protection and exemption from the Public Records Law pursuant to Section 366.093, Florida Statutes, and the referenced provisions of the FERC's CEII policy."
- (9) The highlighted information relates to employee personnel information unrelated to compensation, duties, qualifications, or responsibilities, and is protected under Section 366.093(3)(f), Florida Statutes.
