Re: Citrus Waterworks, Inc. Application for Extension of Service Territory and Quick Take Amendment of Certificate in Citrus County

Dear Commission Clerk,

Citrus Waterworks, Inc. (Citrus) hereby submits its Application for Extension of Service Territory and Quick Take Amendment of Certificate in Citrus County. This quick take amendment is to include one (1) general service customer outside the approved service territory. This customer was being served at the time Citrus acquired the utility. Citrus was unaware that this one customer was not inside the service territory. This customer was referenced in the grandfather certificate approval in Order No. PSC-2025-0041-PAA-WU, issued on February 6, 2025. However, the issue of this single customer outside the territory was not addressed at that time.

The filing fee of \$100 is attached.

If you have any further questions or concerns, please do not hesitate to contact me at either trendell@uswatercorp.net or (727) 848-8292.

Sincerely,

Troy Rendell
