Ms. Ellen Plendl, <http://www.fpsc.gov>

Good Day !

Thank you for your timely response as the pertinent information that I forwarded to the **FPSC was**

not an "Inquiry", but mainly a specific fact that our Household has been Monetarily Penalized every month

since the year **2022 for our Lower Consumption of electrical power that is being supplied by **FPL****

We deserve better Ms. Plendl as our sacrifice is noteworthy, as the **FPSC Commissioners made a serious**

error when they approved of the unwarranted charge. Please ask **FPL to kindly remove the charge.**

Many Thanks Governor Ron Desantis & Ms. Martha Lynn.

Sincerely,

Michael J. Walsh
